
SIGG SWITZERLAND AG – PROUD MEMBER OF 1% FOR THE PLANET

Frauenfeld/Switzerland, November 2008

1% For The Planet

SIGG Switzerland AG extends its cooperation with “1% For The Planet” in 2009. In the future the company, headquartered in Frauenfeld will donate one percent of its worldwide sales to projects dedicated to the environment. In doing so the company is expanding an existing initiative of their subsidiary in the United States of America.

1% FTP was founded in 2002. Over the past few years the organization has developed into one of the leading fund-raising institutions for projects aimed at protecting the planet. All member organizations commit to contributing one percent of their sales to charitable ecological programs. 1% FTP acts as steering and governance committee.

In spring 2008 1% FTP had 850 member companies in 27 countries. Together they invested more than 12 million US dollars supporting more than 1500 environmental projects worldwide.
